**Key Insights**

The information below shows how **Marcus** compares to the **general population**.

# What makes Marcus unique?

The work styles below describe the approach Marcus has to **motivation, organization, problem-solving, and leadership.**

Marcus 

General population 

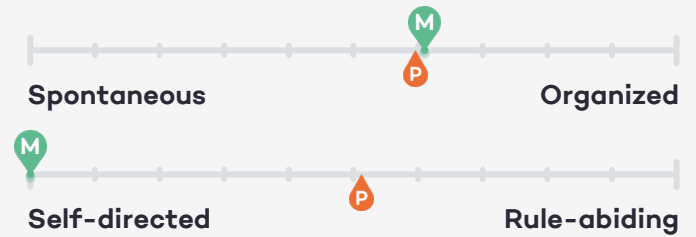

## Motivational Style

**Self-assured** and very ambitious. They are **likely to actively seek out and pursue new challenges**, approaching these with confidence.

## Organizational Style

They are **organized, self-directed** and attentive to detail. Being unlikely to appreciate instruction, they **much prefer to devise and follow their own thorough plans.**

## Thinking Style

**Highly intellectual** and **very comfortable with uncertainty.** They are likely to be more interested in novel approaches to problem-solving than in implementation.

## Leadership Style

As a leader, they are **rather progressive** and **tolerant.** They are a **fairly effective communicator** and are well-received for their **high sensitivity towards others' feelings.**
